A CORNERSTONE OF ITALIAN TRADITION

Performance Foodservice delivers more than 125,000 food and related products to over 80,000 locations, touching the lives of millions every day. We offer the highest quality ingredients, fresh produce, fully prepared products, and an extensive selection of non-foods and chemicals.

THE ROMA® STORY

The story of Roma® starts with Louis G. Piancone who left his home of Corato, Italy, and headed for the United States in 1951 at the age of 20. After several years working at a delicatessen in New Jersey and delivering cheese, Piancone decided to pursue his own American dream and opened a deli in Bradley Beach, New Jersey, in 1955.

After noticing a need for wholesale distribution of quality Italian products in the area, Piancone switched his focus. In 1964, he sold the retail side of his business and began importing the Italian products he knew and loved to sell to area restaurants. Roma® Food was born.

Over the years, Roma® became the number-one supplier for pizza restaurants with its selection of imported and domestically sourced products that were selected specifically to meet the Italian operators' needs. Customers and associates alike looked up to Mr. P for his strong principles, unmatched work ethic and willingness to give Italian immigrants like himself a chance.

In 2008 Roma® became part of Performance Food Group, making the heritage and quality Roma® was known for available to a nationwide audience. Today Roma® products are sold both under Roma® label and under the Piancone® label through Performance Foodservice.

From imported pastas to authentic-style gelato, there's a full suite of products to choose from, and Performance Foodservice buyers still go to Italy every year to source the newest, best products. Our team of Italian-food experts also attends the International Pizza Expo in Las Vegas, Nevada, every year to greet customers, serve delicious pizzas and educate about the Roma® difference.
